LIMESTONE COMMUNITY

HIGH SCHOOL

PEORIA, ILLINOIS

Foreword

"We are the builders . . . the builders of the town in which we live, the church where we worship, the world of tomorrow. Our success depends on our ability, our effort, and our character."

Just as the contractor and the architect, the carpenter and the electrician worked together to build our school structurally, so have we, the Amulet staff of 1954, offered our combined efforts to present to you a pictorial story of Limestone Community High School's first year in existence.

We have portrayed in this yearbook the major phases of student life, both formal and informal in symbolic words and photographs. May it be one you will enjoy and treasure down through the years.

Dedication

To express our gratitude and admiration, the Amulet Staff dedicates this, our first yearbook, to our friend and principal, Mr. L. D. Murray. This is our way of extending our deepest appreciation for the loyal effort he has put forth in building our school to its present standing.

We realize the tremendous responsibility which he has shouldered in the supervision of the planning and starting of our new educational plant. We also wish to thank him for all the outstanding service with which he has honored us in 1953-1954.

Principal's Message

TO STUDENTS, FACULTY AND FRIENDS OF LIMESTONE HIGH SCHOOL:

I wish to express mine and the Board of Education's appreciation to all of you who have helped so greatly in the establishment and successful first-year operation of our new high school. Your ability to adjust to conditions, which, to say the least, were difficult has been outstanding. I consider it a great honor to be able to have my picture and this message of thanks printed in this, the first yearbook of the Limestone Community High School.

Sincerely yours,

L. D. Murray

Ready for fun both night and day.

RICHARD BALDRINI

Putting in long hard hours to perfect a football team for L. C. H. S. was athletic director Richard Baldrini. He prepped at Highland Park High School of Chicago where he was an all-stater in football. As a student at Illinois State Normal, he was active in athletics. Last year he coached at Tremont High School.

Bestowed upon Dick Baldrini was the vital task of molding a group of young men into a football machine that was to be ready for action in a few short weeks. At the first call for practice the players showed up knowing few among their midst. After formal introductions, many dust-filled hours were spent in preparation for Limestone's first athletic venture.

With no home field on which to play host, the Rockets entered their eight-game chart on the road. The Spalding eleven were the first to lower the axe in a rough-shod manner, 51-0. Throughout the season the Rockets were an up-and-down ball club. Keyed up for the trip to Keokuk the team found a strong outfit upon arriving and fell to the Iowans, 54-13.

East Peoria closed out the season in a tussle which was given to Limestone for their only home game. The game, being the last for eight graduating seniors, sported some razzle dazzle football. The Raiders emerged the victors in the scoring column, 13-6, but the Rockets more than doubled East Peoria's yardage.

Tournament

The 1953-54 Rocket cage season started slowly, dropping the first four tilts to the opposition. The opener with Quincy drew the first capacity crowd for the newly finished gymnasium. Highlights in the 9 and 18 season were two second place finishes in the Lakeview Holiday Tournament and the Fairbury Invitational Tournament.

The charges of varsity coach Fritz Millard possessed speed and agility where they lacked height. Elongated Gary Tjarks, Dale Binegar, and Bill Noe provided the power and prowess around the boards, and the outside shooting guards, Jack Milam and Ron Fahnestock, put forth with the scoring punch.

After capturing second place in the Fairbury Tourney, the Rockets went on to finish the regular season with six victories out of their last nine games.

In the Pekin Regional Tourney Limestone drew first round Glasford. Trying to avenge an early season loss to the Tigers, the Rockets again went down to defeat by three points.

Close losses by a few points were disheartening for the team and coach, but the 1954-55 squad will still be intact except for the four graduating seniors. This has been Coach Millard's first year at the helm of a high school team after taking two grade school state championships.

LAKEVIEW TOURNEY

The first tournament for the Rockets was the Lakeview Holiday Tourney in Lakeview, Decatur. The boys didn't bring back the first place trophy but they got the next best thing. First round opponent, Niantic-Harrisburg, gave the Rockets quite a battle before succumbing 62-58.

Riverton was next up for the Rocketeers and they also fell 70-59. Going against Limestone in the evening of the same day was

Trophies

Lakeview for the championship. The offensive patterns were bottled up and the Rockets could never get ahead in the fray. As a result, we took it on the chin by 17 points, 58-41.

FAIRBURY TOURNEY

Blood pressures and tempers rose to the highest in Fairbury tourney as the Rockets captured another second place trophy.

The first round competitor, Melvin-Sibley put up a gallant fight before falling in a double overtime 76-73. Sixty fouls were whistled and 42 of them were called against the Rockets.

In the second game the Limestone brigade again played into an overtime to decision Piper City 70-68. Fans were on the edges of their seats in the final ninety seconds of the contest. Losing by 5 points with a minute and one-half remaining, Charles Luthy flipped in a pair of free throws and Ron Fahnestock drove in for a basket and was fouled in the act. His toss was good to tie it up. In the overtime, captain Bill Noe's free throw put the Rockets ahead for keeps.

The championship final was between the big and the little. The eventual champ, East Lynn, boasting a total of 17 boys in the entire school, took the title 81-71.

ATHLETIC DIRECTORS

Instilling the spirit of sportsmanship, pride, and fight into their teams, Dick Baldrini, Gene Gire, Ed Herzog, and Fritz Millard were the vital force behind our athletic programs. Here is one group both respected and well-liked by those with whom they came in contact. Our coaches are builders—builders of character, creators of moral integrity, preservers of good sportsmanship at L. C. H. S.

The Amulet

With an inexperienced staff organized in late December, production on the 1954 Amulet did not get underway untii January. The editors, photographers, artists, and advertising solicitors all worked tirelessly to make this book a success.

Miss Lorene Morgan, our staff advisor, was assisted by Mrs. Helen Endsley in the production of our yearbook. Through their guidance, patience and determination, and the long hours spent by staff members, the deadline was met on March 15. Filling these pages are the friendships, activities, and classes that were L. C. H. S.—1954.

"Where is the copy for the next issue?" "Who is assigned the write-up of the Prom?" "When is this story due?"

The Future Farmers of America or F.F.A., as it is commonly known, is the national organization of, by, and for boys studying vocational agriculture in public secondary schools under the provisions of the National Vocational Acts. It was organized at Limestone in November of 1953 and is advised by Mr. Malmgren.

F.F.A.

F.H.A.

TOWARD NEW HORIZONS

The Future Homemakers of America is a national organization of girls who study homemaking in junior and senior high schools. The club motto expresses the purposes of the organization. Chapter members think that helping to make happy homes, now and in the future, is the most important thing they can do for democracy.

The Limestone division of F.H.A. was organized in the fall of 1953 by Miss Lindholm and Miss Mauer.

The stage crew is one group that deserves much praise for work that often is not noticed. These boys were responsible for all the behind-the-scenes work for assemblies. It was their job to prepare the stage and have everything in readiness for use. They also constructed the sets for the class plays and arranged and operated the lighting effects.

The choral department is made up of two basic groups: the advanced group, composed of juniors and seniors, and the beginning group, made up of underclassmen. These choirs were under the capable direction of Mrs. E. Krumpe.

Singing Rockettes

The Singing Rockettes is a special group of girls chosen by Mrs. Krumpe from the advanced choral group. These girls bring entertainment to many school and community functions.

Some of their program appearances this year included the Football Banquet, Christmas Dance and the Monroe School Variety Show.

OFFICERS

Seated: Mr. Morris, Director; Burdette, President; Williamson, Vice President.
Standing: Wheeler, Librarian; Small, Librarian; Holverson, Publicity; Lauterbach, Secretary-Treasurer; Small, Librarian.

It is seldom that a band is created during a new school's first year and a series of articles telling the steps involved is being carried in the *School Musician*, a magazine for high school music classes.

This publication is aimed at the student level and these feature stories will appear in the magazine for at least two years. Considering that only one grade school in our district has a regular band, we take our hats off to Mr. Morse, our director, for a job well done.

This year the Advanced Band performed at one basketball game, the dedication of the building, and presented a spring concert. They were active in raising funds to buy uniforms and robes for the choir.

Varsity Track

The Limestone High cindermen faced the 1954 season with little talent on hand. Coach Dick Baldrini began immediately to build a squad of thin-clad hopefuls into a sturdy team, while keeping an eye on the future years. All the varsity dual meets were dropped, but not without a struggle from the inexperienced, underclass-laden crew.

The Rockets plunged headlong into the season against a host of Greater Peoria powers. With many participants winning monograms, the squad and coaches can look forward to the coming year without a defeatist complex.

Highlights of the season were perhaps the fourth place finish of the low hurdle shuttle relay team in the large Normal Relays meet, and the consistently good showings of Captain Dick Woolard in the low hurdles and junior Ron Oertley in the pole vault and high jump.

With little experience on hand, Coach Fritz Millard worked with and molded a fairly strong squad. The team was up and down all season long, sometimes beating the best and occasionally losing to the weak.

High spots on the Rocket fans' list were the double victories over state-bound Peoria Central and the Pekin Chink scalp in which they squeezed home the winning run in extra innings.

Two-thirds of the outfit will still be intact for the coming spring season.
